

FIRE PRO red

Order No.: 142690

Description

Smooth and ductile fire-fighting glove made of grain leather. This glove is very suitable for technical assistance and rescue purposes. Due to the seamless knitted lining, the glove offers a very good protection against mechanical stress.

Technical data

Sizes	6 to 12
Colour	Red with black knuckle protectors and yellow cuff
Materials	
Palm	Red cow grain leather with reinforcements
Backhand	Red cow grain leather with black knuckle protectors m/o cow grain leather
