Power supply:	3x R20/D
Light source:	1x CREE Q3 LED
UP Light output:	245 lm
UP Light source:	1x CREE Q3 LED
UP Power supply:	3x R20/D
UP Operation time:	5h

Product description

The largest from the MX family battery torch. It's advantage is durability - it is made of high quality aircraft grade aluminum, shock-, oil- and waterproof. It also has an unbreakable polycarbonate lens resistant to scratching. Nicely in your hand, strong and reliable. Has a unique serial number. The relatively large size is an asset among the staff of the services of prevention, protection and professional drivers.
